Have a voice

We need to make our voices heard!

We're delighted to be able to introduce our resident from Alstonefield, Lucy Willis, who's become a new member of Midlands Rural Housing's Resident Involvement Board (RIB).

Full-time mum Lucy says: "I think the bigger the voice residents can have, the better."

"As members of the RIB, we look at how the Association's performing on its Local Offers and give our views and feedback on issues such as new policies and service delivery. That can only be a good thing."

Visit www.peakdistrictrha.org.uk for the full story.

**FOR YOUR
BENEFIT**

Don't lose out

Remember - if you have non dependent children living in your household, this could affect how much housing benefit you receive. If you have a child who left full time education in the summer and isn't yet employed, make sure they're claiming any benefit they're entitled to.

It's coming!

Universal Credit is still on its way!

It'll be fully implemented in the North West by the end of the year and then rolled out to the rest of the country from February 2015.

If your rent is currently paid by Housing Benefit, once Universal Credit comes in, it'll be your responsibility to pay. We suggest you pay an extra £3 - £5 per week now to get your rent account in credit.

Food bank support

Times are tough but local food banks are there to help. If you're struggling to feed yourself or your family, they can provide a minimum of three days' emergency food.

Talk to your Housing Officer about gaining a foodbank voucher or visit www.trusselltrust.org

It's snow time!

Do you want to build a snowman? Here's a great simple Snowman Cupcake recipe for all ages. Give it a go and send your photos of your finished cakes to enquiries@midlandsrural.org.uk. If you can't take a photo, ask your Housing Officer if they can take one.

Ingredients

- 100g butter or margarine
- 100g golden caster sugar
- 2 eggs
- 100g self raising flour
- 1 tsp baking powder
- 1 tsp vanilla essence
- Icing sugar for dusting
- 150g ready to roll white icing
- 3 tbsp apricot jam
- Marshmallows
- Red fizzy laces
- Tubes of coloured writing icing
- Sugar or silver baubles

Method

1. Preheat oven to 180°C/Gas 4.
2. Place the butter or margarine, sugar, eggs, flour, baking powder and vanilla essence into a bowl and beat until the mixture is light and fluffy.
3. Line a bun tin with 8 paper cases and divide the mixture between them. Bake for about 20 minutes until the cakes are lightly golden.
4. Lift out of the tins and leave to cool on a wire rack.
5. Dust a clean working surface with icing sugar and roll out the icing to about 5mm thick. Cut out 8 circles the same size as the top of your cakes.
6. Put the apricot jam into a small dish and stir in 1 tablespoon of hot water. Brush this over the cakes and stick the icing circles on top.
7. Make the snowman's head by sticking a marshmallow on the top of each cake using apricot jam.
8. Wrap a fizzy lace around each head and use writing icing for the eyes and mouth. Stick sugar baubles on with writing icing for the nose and buttons.

£million funding

A recent report revealed that house prices are a whopping 107% higher in the Peak District than in the rest of Derbyshire!

With the need for affordable housing greater than ever, around a million pounds of funding is being made available to build affordable homes in the Peak District.

The majority is being awarded by the Homes and Communities Agency and supplemented by local authorities. This means that four new schemes, each comprising four homes, can be developed during the next four years. Litton will start next year, followed by Taddington, Winster and Ashford in the Water.
